

LED PAR 64 TRI-B

- Tri-colored LED par can designed for any application where wash lights are needed
- High-powered, tri-colored LEDs nearly eliminate multi-colored shadows
- Smaller, more compact case increases portability and setup time
- Smooth and even output makes these lights perfect for front light applications
- Great for installations due to the whisper-quiet operation
- Suitable for use on camera due to the flicker-free operation
- Power link up to 15 units to save time running cables and extension cords
- Awesome sound-activated programs dance to the beat of the music
- Trigger built-in automated programs via master/slave or DMX
